

Pham Duy Khanh - FullStack JS Developer Intern

☎ 0886025625 ✉ duykhnh.030803@gmail.com  [LinkedIn](#)  [Github](#)  [Portfolio](#)

Summary

As a third-year student majoring in Information Systems, I have gained valuable experience from various web projects. Currently, I am seeking an internship opportunity as a web developer. My desire is to delve deeper into this field, enhancing my skills and acquiring in-depth knowledge. I am actively searching for suitable opportunities to provide a foundation for my personal development.
