PHAM DUY KHANH
Intern Web Developer

CAREER OBJECTIVE

I aspire to become a professional Front-end Developer and eventually progress toward becoming a Full Stack Developer. I will learn and apply the latest technologies to build beautiful and user-friendly interfaces. I want to develop knowledge and skills in the Full Stack field, including server-side and database, to create complete applications that meet all customer needs. I will always strive to learn and develop myself to become the best Full Stack Developer.
